# A PAYMENT PROCESSING HOLE-IN-ONE

Hitting the green requires spending green. Make it easy for golfers and their guests to pay with the help of Apriva Integration Services. Whether they're purchasing a tee time, renewing a membership, using the golf ball dispenser, grabbing lunch after a good game, or shopping for golf goods, our solutions take the pain out of paying by enabling merchants to accept cards and advanced payment technologies in addition to cash.

### BENEFITS

#### Seamless Experience

With Apriva Integration Services, golfers can use their preferred payment method anywhere on the course and focus on the experience, not the transaction.

#### New Sales Opportunities

With Apriva Integration Services, golf course merchants can accept credit, debit, stored value, loyalty, EBT, and check transactions, as well as emerging forms of payment.

#### Secure Technology

Apriva's proven technology is PCI-compliant and has been rigorously tested and verified by the U.S. intelligence community and Department of Defense.

#### Future-Ready Solutions

From traditional payments to innovative technology like EMV, Apple Pay, Samsung Pay, the Apriva Gateway is continuously evolving to help golf courses stay ahead of the game.

#### Fast and Easy Integration

Our pre-built collection of solutions makes it simple to quickly add payment processing to any existing mobile, web, or traditional POS solution.

#### Complete Compliance

In addition to being PCI-compliant, Apriva Integration Services support advanced security features like card encryption at swipe, card tokenization, and EMV technology.
